

40 Recommended Reading Books for Year 1

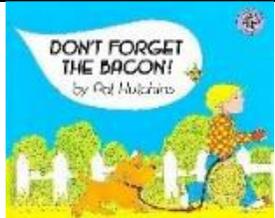

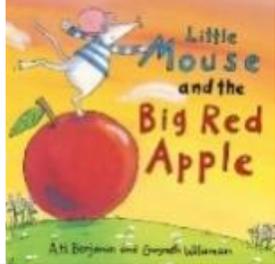

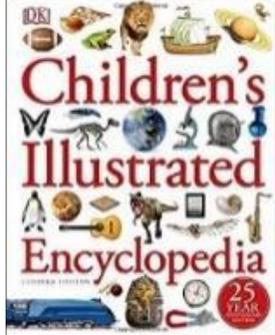

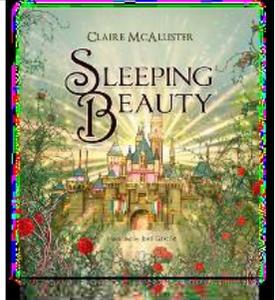

Dear Parents and Carers,

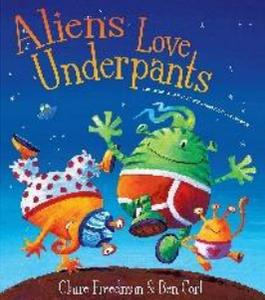

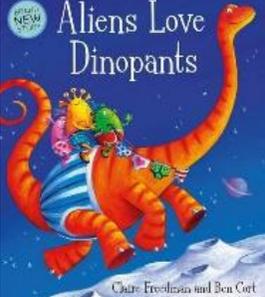

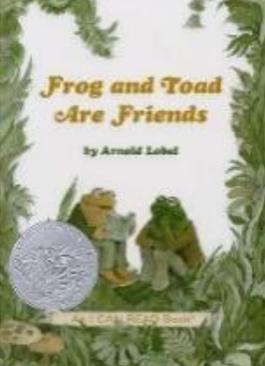

We have carefully selected books that we hope will capture your child's imagination and that you will enjoy reading together. The list contains a description of the book so that you and your child can choose your favourites. We have also indicated the lexile rating / difficulty level – a higher number indicates a more difficult text. Children will be awarded star badges as they read books from the list – they will need to record a brief response to a reading task as well. A bronze badge will be awarded once your child has read 5 books from the list, a silver badge after reading 10, a gold badge once they have read 15 and a platinum badge for reading 20.
